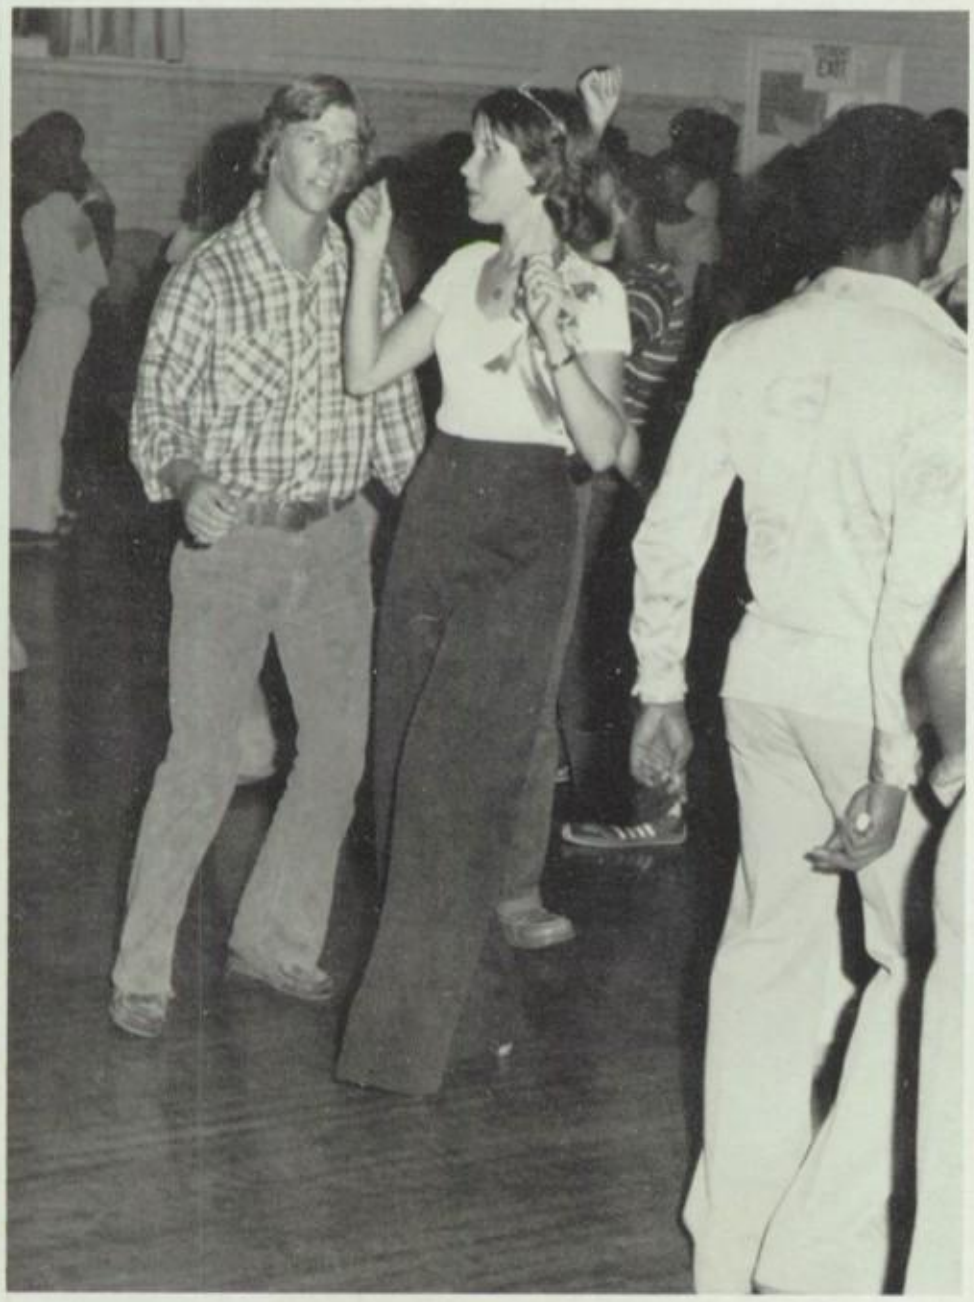
Closing 136

Windsor High has had many changes this year, one of which is the attitudes of the students. There seemed to be a time of seriousness, a time for advice, a time for closeness with teachers and a time for spirit to be shown . . .

CHANGES IN

ATTITUDES



Left: Who says Homecoming Queens can't get off? Upper Right: I hate threading needles! Bottom Left: You've got to be kidding Reggie! Bottom: Look Mister, take my picture!

CHANGES IN

Changes, Changes, Changes! Changes had a big influence on the people this year. New teachers, New coaches, New District, New rules . . . These were just some of the changes. Somehow we always adjust to these changes!!

There were changes abroad, coast to coast, and sea to shining sea. There were changes in the beautiful World in which we live. The students were very much aware of the worldly changes.

COMMUNITY, & WORLD!

Community support was a help in our changes in the area. There were changes politically and in Religion. There were changes in world affairs with other countries and nations.

CHANGES AT

The students really began to face life. They started to realize thier time was drawing close to leave W.H.S. and face the changing World, on their own!! The memories at Windsor will linger for years and years . . .

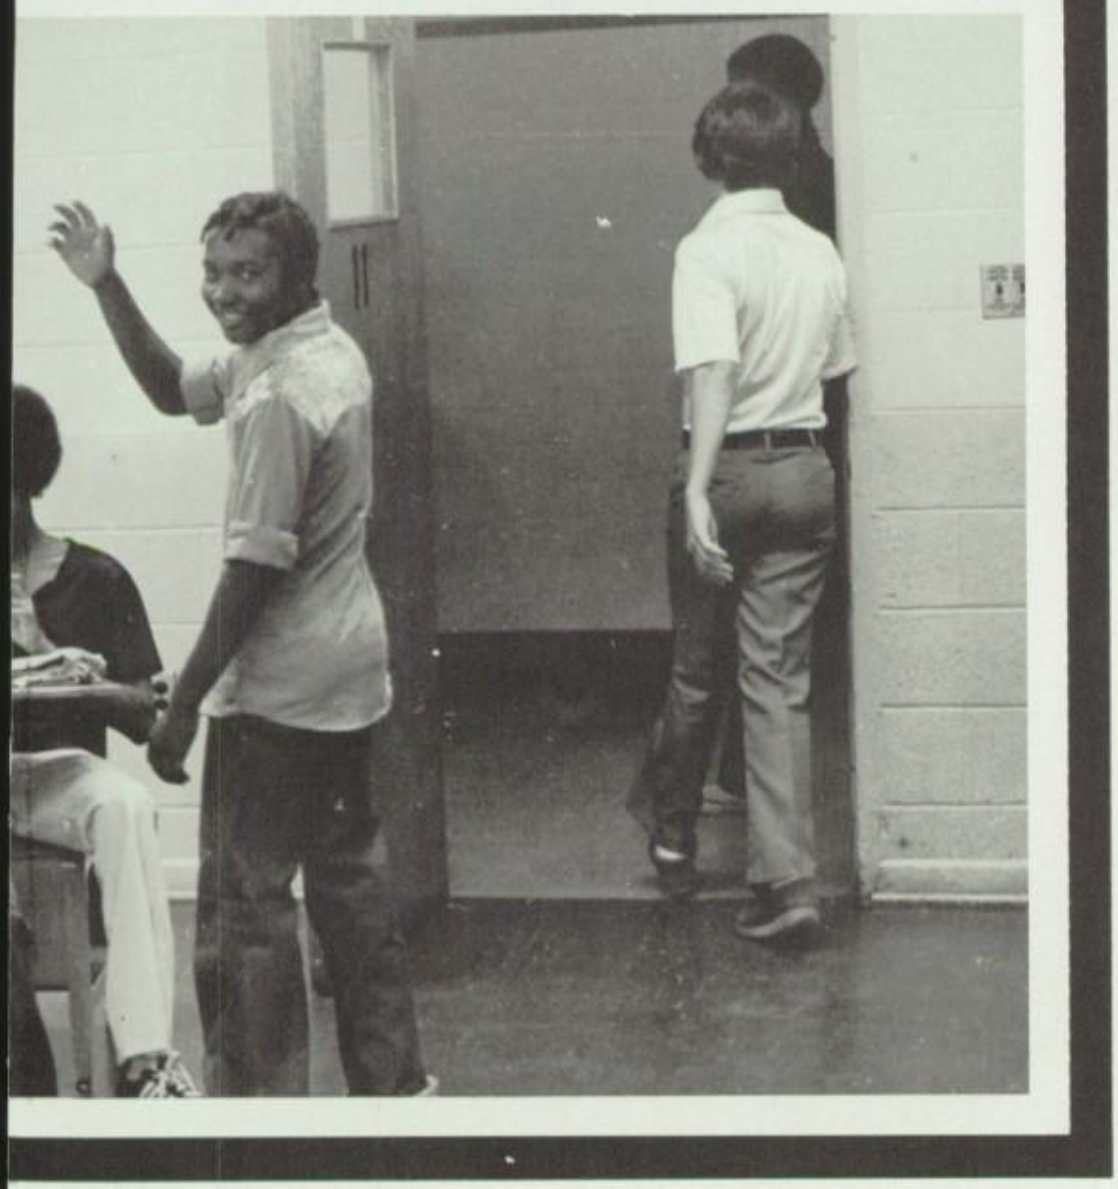
The Victory Dances were popular scenes at Windsor High School this year.

Middle Left: Charlotte and Brenda are all smiles at W.H.S. Middle Right: Mr. Atkinson, visiting teacher this year was at Windsor. Bottom Left: Ursula, you forgot to take your rollers out! Bottom Right: Group discussions are the best way to pass off time. The students like the different changes this year and adjusted very well.

W.H.S.

ACTIVITY

UNENDING



Lynn Lankford gets off at one of the many D.J. dances sponsored by various clubs after home games.

Dana and Rosa show off their stuffed animals on Friday, during "Spirit Week", before the homecoming parade.

What's Happenin'!

Overheard in a class:
"Hey, what's happenin' man?"
"Yeah, ain't that a T.V. show?"
It is a T.V. show, but it's also a popular saying used by nearly everyone nowadays.
This part of the annual is devoted to showing just what is happening with students at W.H.S.
There's a new feeling at W.H.S. "What's happenin' ", is that we're finally winning some football games and the whole school is building up more spirit. Our annual theme, "Winds of Change", follows this to the letter.
Hopefully, the school is changing for the better.

Ready! Aim! FIRE! Tim and James should learn to fire up their brains instead of crutches in English 12 class.

Although Andy rarely works at school, he got caught doing just that.

Monica, Miss Brown, and friend goof off in the halls.

Jerry and Gordon hardly ever do anything except mess around.

Andre looks in the obituary column in the paper to see if he's dead.

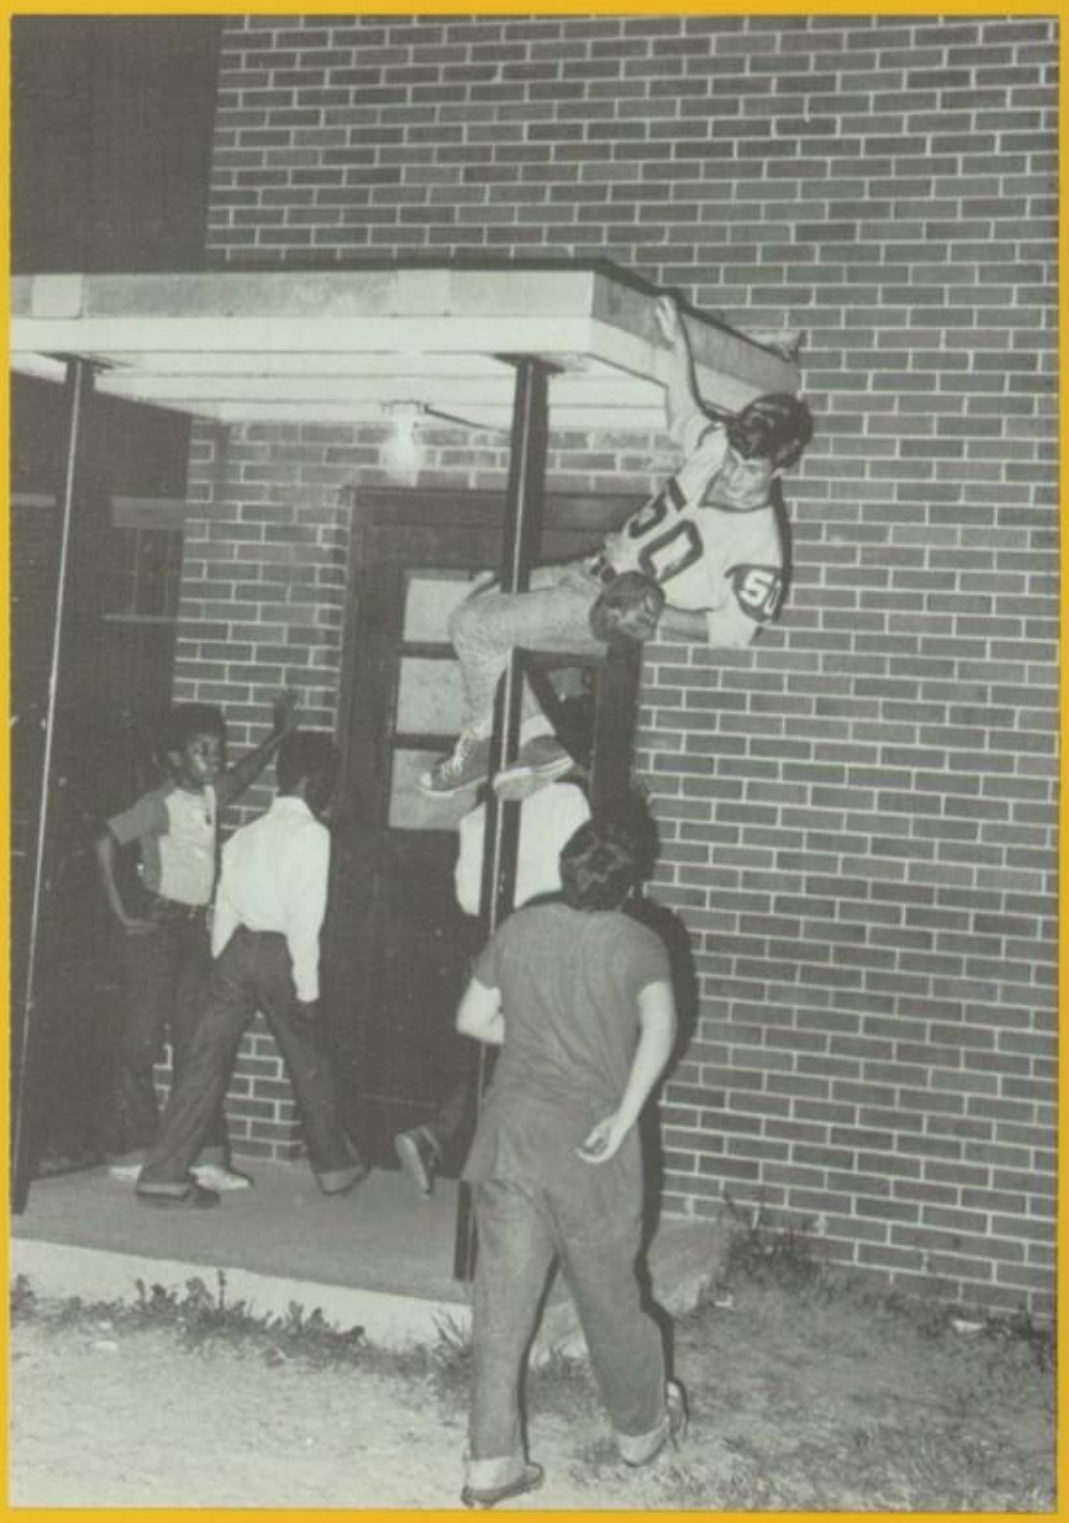
Hangin' out. That seems to be everybody's favorite pastime at W.H.S. Whether it's in the cafeteria before school, outside during lunch, or in the parking lot after school, people are just standing or sitting around talking. Beacuse of long periods of time before school and during lunch, everybody has plenty of time to just "hang out".

Melanie and Ray try to trace their roots in the school library.

"Hold it! Freeze! This is a push-up! Sheri and Monica finish their lunch in front of the east wing.

"Come on, Mrs. Lankford, cough it up. We know you didn't give at the office." M. C. and Antoinette act up in the lab.

"What is this place, a zoo?" Derek is up to his usual tricks again outside the band room.



Miss Neal, Mr. Murray, and Mr. Cooper hold their gym classes for ransom.

Anthony Crawley tries to find his pass to get past Mr. Whyte, who is everybody's favorite hall monitor.

Troy studies the camera instead of his books.

"A test! Today?" It looks as if one of Mrs. King's tests took Lynn Peck by surprise.

"Peek-a-boo! I see you. Isn't it a little late for halloween, Sheila?" Mrs. Cowling's art class made African masks for one of their projects this year.

Hanging Out at W.H.S.

Not everybody expects to have their picture taken, and it seems that these people were surprised by a sudden, unexpected "click" in their immediate vicinity, but when they tried to put up defenses, such as books or hands, they were a little too late.

"Hey, Butch, watch me beat up Angelo." Charles, Angelo, Kenny, and Butch get caught off guard in the gym.

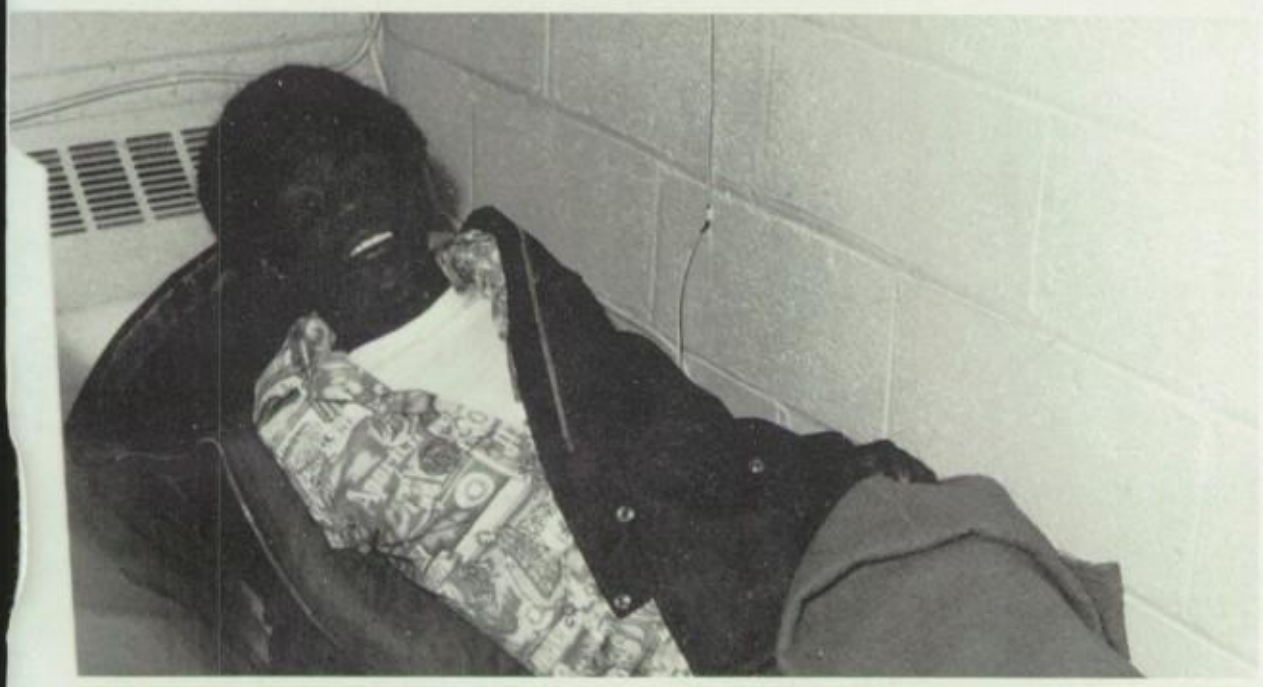
"Another boring day at W.H.S." Not all students are this bored with school, but staying awake is a problem in *some* classes.

"Louie" gives the class his impression of Bugs Bunny.

Joe and Jeff get ready to open "The Shack", which is run by the DECA Club and provides students a chance to buy candy, mints, and nabs.

"None of your business who I'm calling," says Gail. Many students use the pay phone in the lobby every day.

GOTCHA

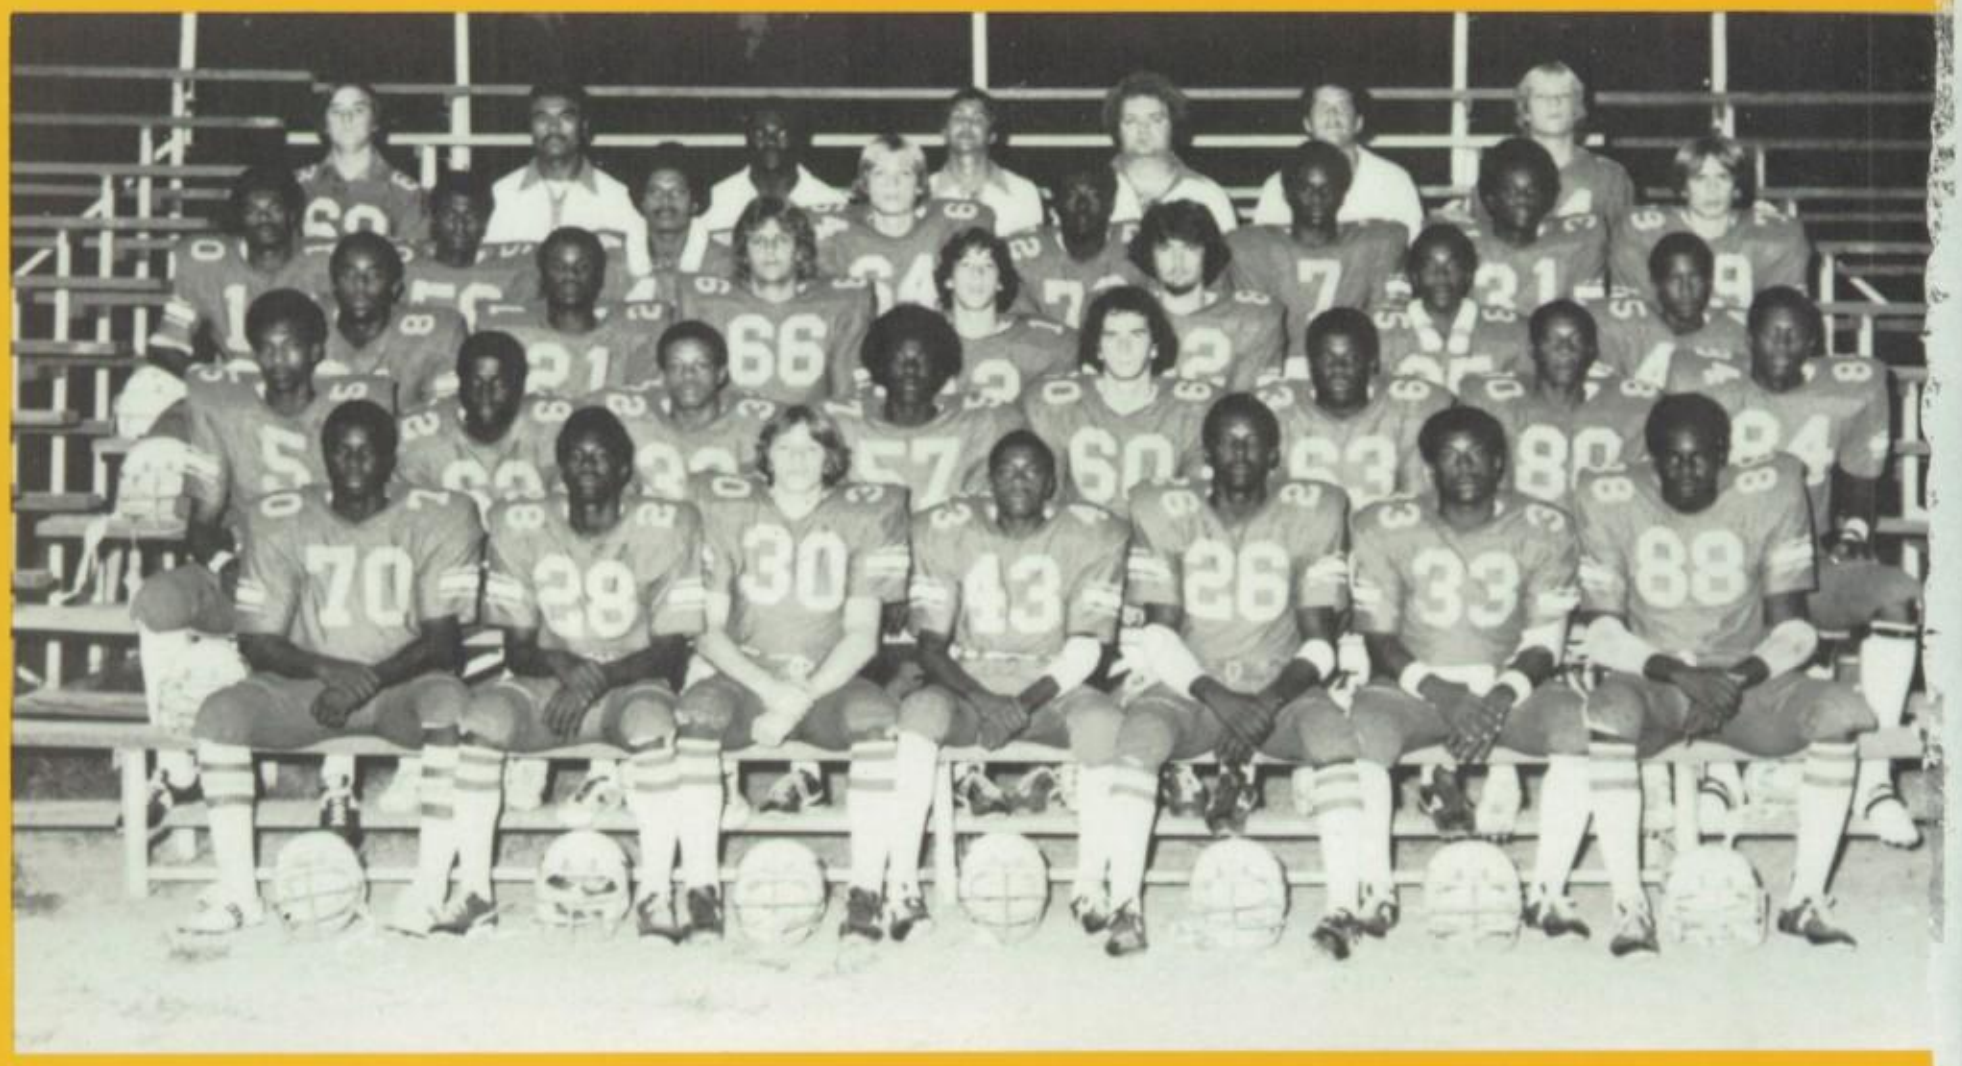


David tries to get attention from the girls, but as usual, they just ignore him.

John fakes a horrible disease to get out of class. The nurse's office is a favorite spot for people who want to get out of class.

"Who do you think you are," says Marnita to Willie Lee, "the sheik of Windsor?!"

WE WON!



After moving to the Tidewater District (single-A) the varsity football team broke their 40-game losing streak this year with a great victory over Charles City and continued showing their success and capabilities throughout the season.

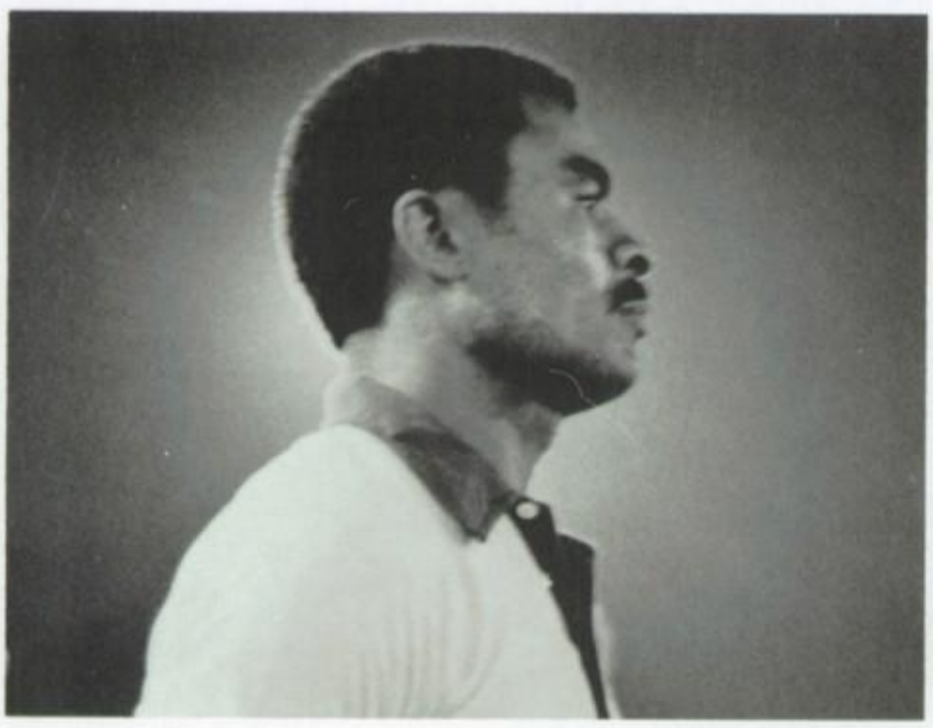
The "78" Windsor High Varsity Football Team can now look forward to coming years with the feeling of being a winner once again. The Dukes did what the school and community have been waiting for — a new look, a new score, a new finish.

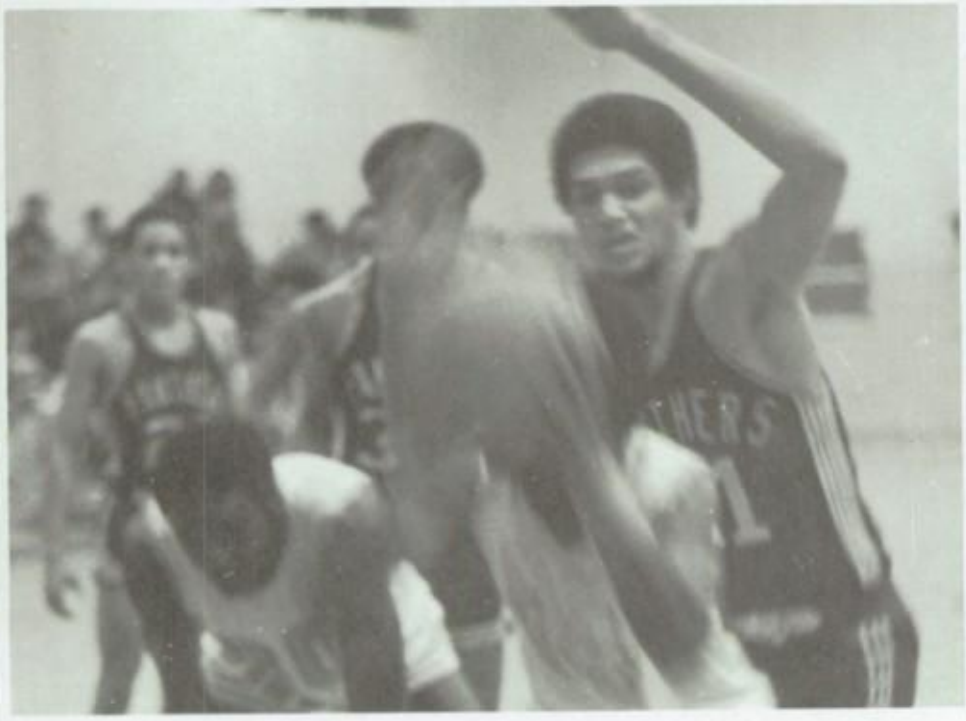
Coach Crawford has told the varsity football team, "There are many stages along the path of life and football is one of them, but you must do the best you can in everything you do", and that's what the "Mighty Dukes" did. Besides breaking the 40-game losing streak, the Dukes won the first Homecoming game in 8 years.

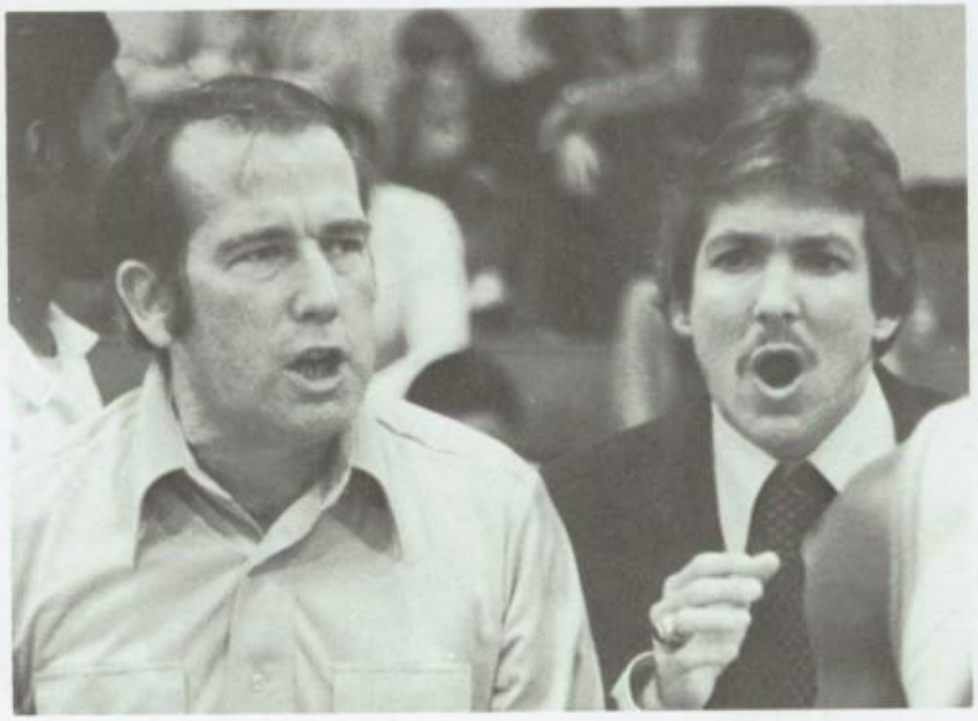
Upper Left: Bruce Ricks rushes by King & Queen's defenders. Upper Right: Jerry Joyner makes a last moment plunge at one of King & Queen's defensive backs. Right: Tim Lawrence takes credit for something that he didn't do. Far Right: Tyrell Ashburn and Andy Bradshaw make quick recoveries before going back into the game. Lower Left: Coach Cooper in serious meditation over a series of defensive plays. Lower Right: Coach Crawford makes corrections from the sideline.



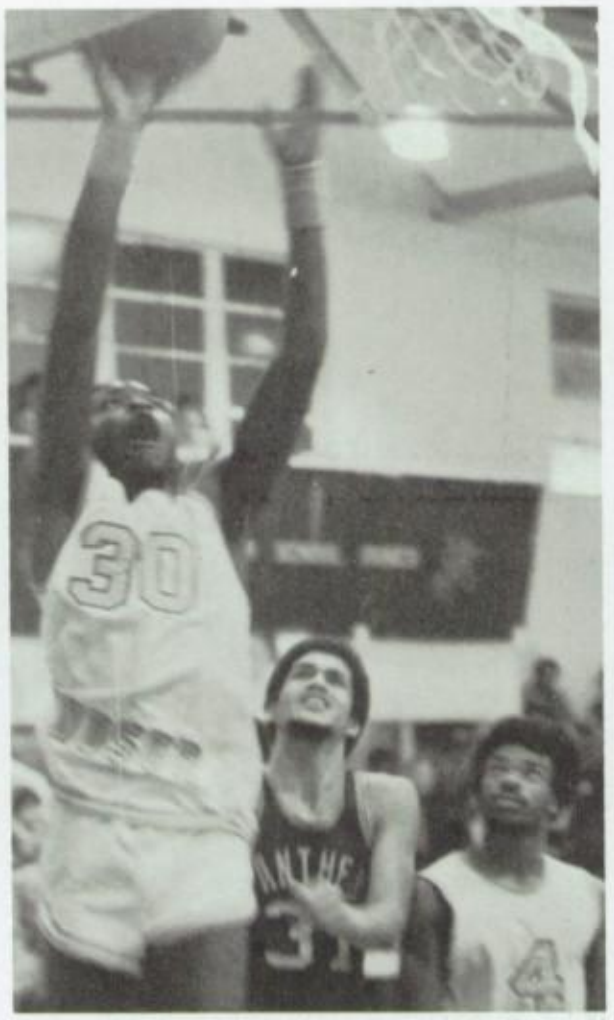
Varsity Basketball — Shoot to Win

Upper Left: Ben Barr goes over a West Point defender to give the Dukes two more points to reassure another victory!! Upper Right: Coach Chuck Parron and Coach Tex Murray. Left: The W.H.S. Varsity Basketball Team, Bottom Row, from Left to Right: Coach Chuck Parron, Terry Rawls, Dennis Williams, Martin Woodward, and Coach Tex Murray. Second Row: William Perry, Anthony Knight, Micheal Banks, Ben Barr and Alonzo Pittman. Third Row: Reginald Harden, Danny Davis, Gordon Burrell, Timothy Lawrence, and Melvin Mozell. Not Pictured: Ricky Boykins. Lower Left: Michael Banks and Ben Barr struggle to keep the ball under control. Lower Right: Coach Murray and Coach Parron try to straighten things out with the Dukes.

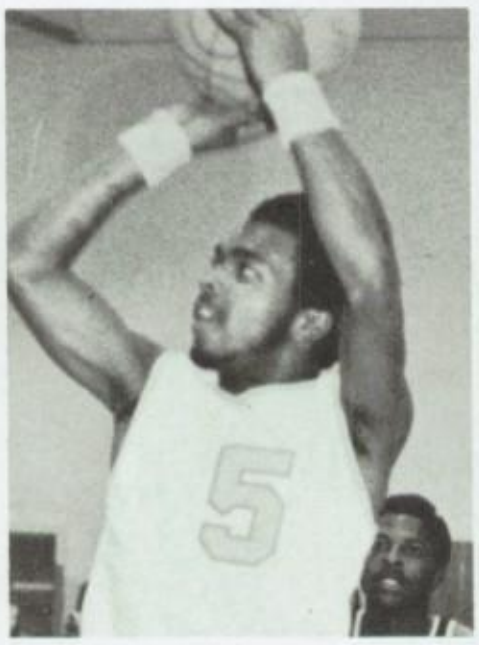




Above: The Dukes warm-up before their game with New Kent. Here one of the players is up for a "Mighty Duke" dunk. Upper Right: Benjamin Barr overcomes one of New Kent's players for the jump. Ben is a Senior this year and has been playing basketball since he was in the 9th grade. Middle Right: Danny Davis above the crowd to connect for two big points. Danny is a Junior this year and will be returning to complete his career in high school basketball next year. Bottom Right: Ben Barr goes above New Kent's defensive player to complete his shot.



Dukes Are Hot to Trot



Upper Left: The fans at Windsor maintained to keep the spirit up at all of our basketball games this year and were a big help to the teams success. Upper Right: Ben Barr goes above the Mathew's defenders for a shot good for two. Middle Left: Michael Banks and Tim Lawrence get set at the foul line. Middle Center: William Perry shows his form as he goes up for a jump shot. Middle Right: Danny Davis leaps above the crowd for a sure basket. Far Left: Martin Woodward struggles to keep control of the ball as one of King William's defenders goes against him violently. Left: Reginald Harden shoots after one of Mathew's defenders threw him off balance.

Varsity Cheerleaders Help Make Us Better

Top: The Varsity Cheerleading Squad, Bottom Row, From Left to Right: Ursula Picot, Sandy Willis, Dee Dee Tetterton. Middle Row: Eugenia Butler, Wendy Hammon. Top: Tammy Wellons, Not Pictured: Sharon Revell. Right: Kneeling: Dee Dee Tetterton. Standing: Tammy Wellons, Sandy Willis, Eugenia Butler, Wendy Hammon, Ursula Picot. Powder-Puff — New Recruits??

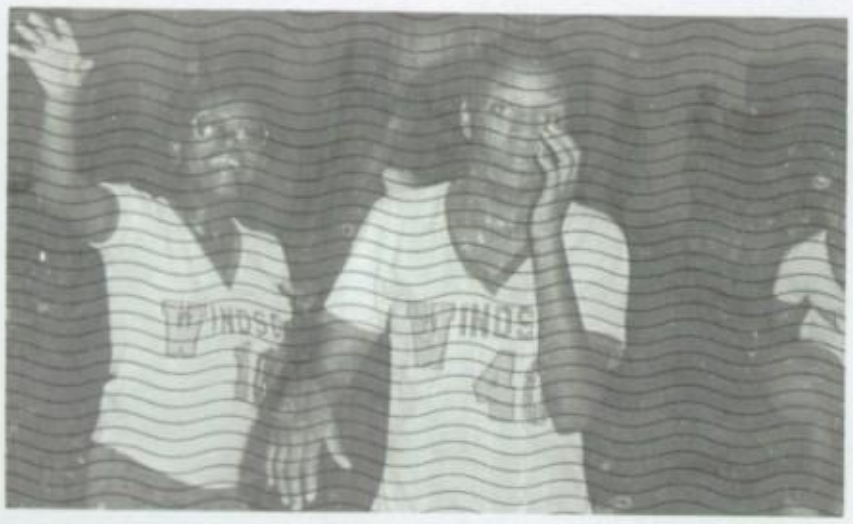
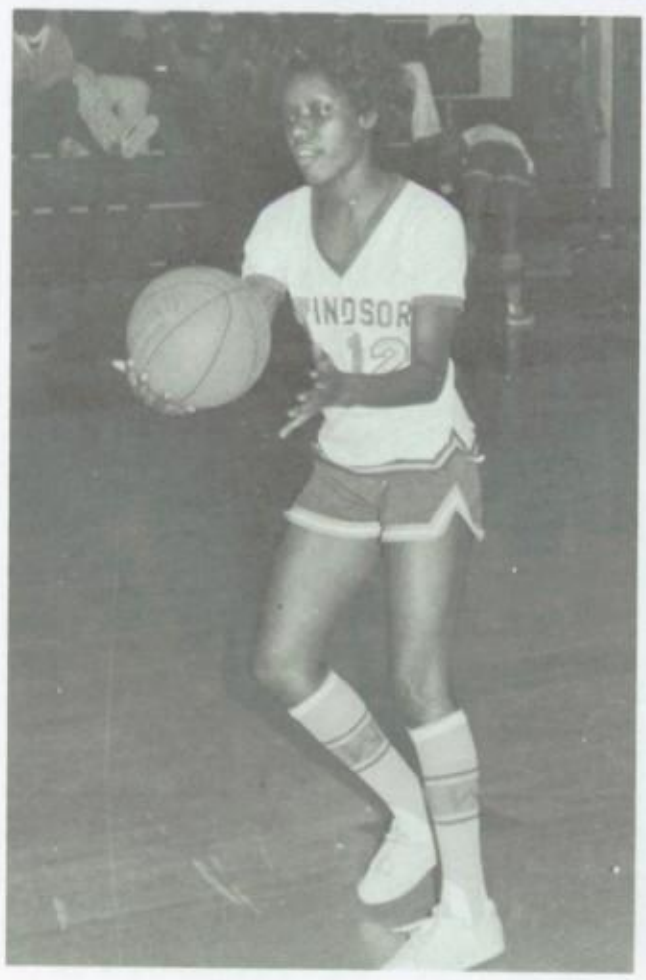
Upper Left: Beth Butler does a floor cheer to boost the Dukes on to another victory. Upper Right: The varsity cheerleaders continued their support throughout the basketball season. Here Beverly, Sandy, and Eugenia end up with a cheer for glory. Above: The Varsity Cheerleading squad, from Left to Right: Sheila Hill, Beth Butler, Ursula Picott, Wendy Hamman, Gwen Butler, Beverly Tetterton, Tammy Wellons and Sandy Willis. Not Pictured: Eugenia Butler and Dee Dee Tetterton. Left: The Senior Powder-Puff football team huddle up to secure their victory over the Juniors. Lower Left: Sclester Uzzle gives a quick talk to the Junior Powder Puff team during a time-out.

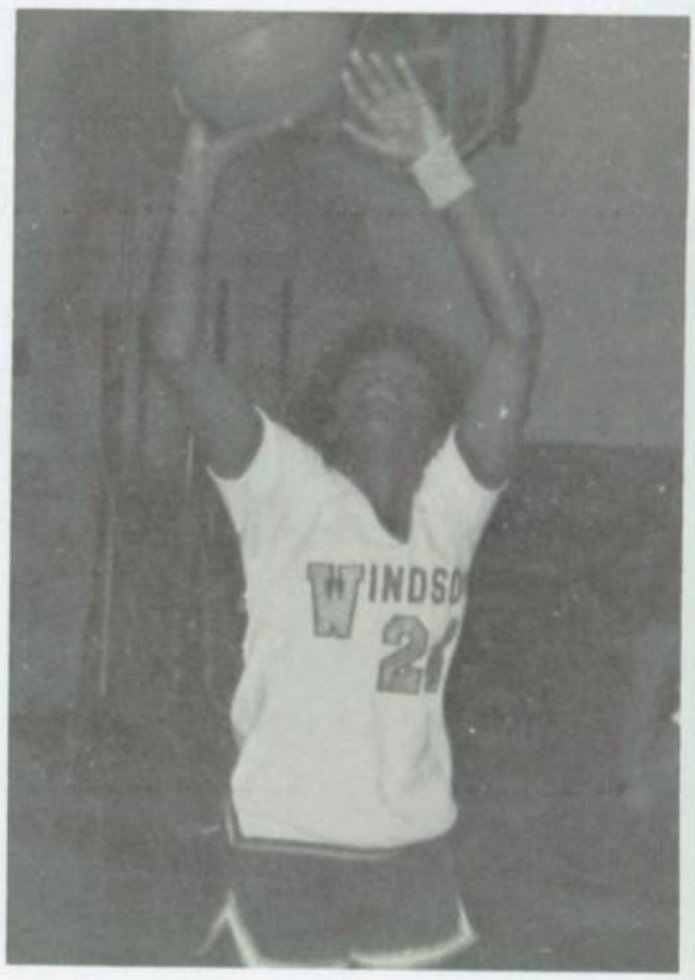
The Dukettes Swish the Nets . . .

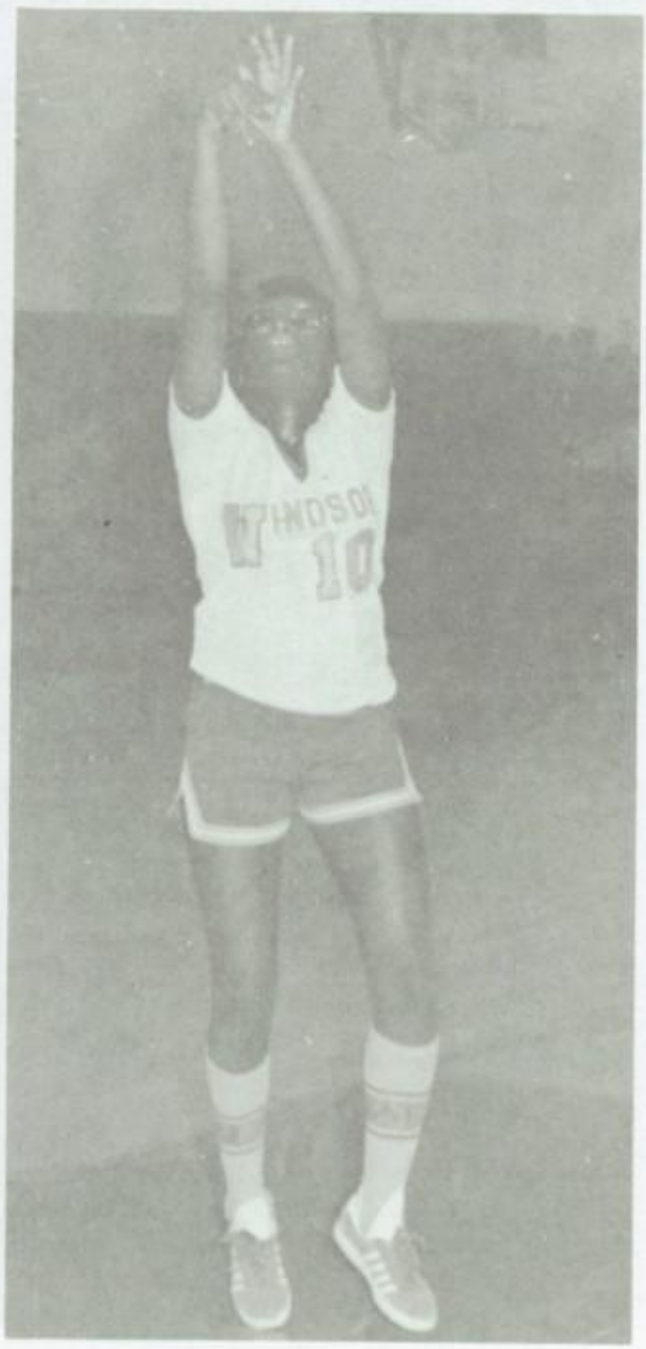


Upper Left: Ball players complain that they see lines before their eyes!? Upper Right: Co-captain Tina Lawyer, Coach Patsy Neal, Co-captain Francine Rawlings. Middle Left: Coach Neal explains to the team their mistakes and tells them how to cope with problems of the game. Middle Right: Coach Neal stresses her concern to Karen Grant and Janet Waters before resuming the game. Right: Carolyn Harviney, a Senior this year, has been great to the team's success. Top Right: Karen Grant shoots for two! Karen is only a Sophomore this year with two more years to go here at Windsor to establish her talents.

The "Dukettes" came up with a satisfying season this year and hope to continue their success throughout the years to come. Playing basketball like any sport, gives the students an understanding of life with its ups and downs. The Dukettes have had their share of both.







Top: From Left to Right, First Row: Co-captains Francine Rawlings and Tina Lawyer. Second Row: Coach Patsy Neal, Mavis Duck, Karen Grant, Janet Waters, Carolyn Harviney, Alisa Ricks and Flora Carr. Far Left: Alisa Ricks a Freshman here at Windsor has shown much potential, this being her first year playing basketball. Left: Francine Rawlings is a Senior this year and she has much experience at the sport. Francine has been playing basketball since she was in the 9th grade.

Top Row: Gregory Ashburn, Anthony Booker, Chris Booker, Andy Bradshaw, Melanie Butler, Ronnie Duck. 2nd Row: Mark Frazier, David Horton, Herbert Kelly, Maxine Kindrid, Lois Manley, Gayla Matthews. 3rd Row: James Perkerson, John Porter, Edward Prince, Bruce Ricks, Elise Sawyer, Randy Schnur. 4th Row: Jose Stokes, Gilliam Turner, Dean Walker, Thomas Warren, Dana Wellons, Dennis Williams.

Run for Glory With the W.H.S. Track Tream

Above: Head Track Coach Duane Alderman. Right: Coach Ron Cooper was assistant track coach during the 1978 track season and head coach this year. Coach Cooper showed much concern for the Track team as a whole and for individual participants.

Middle Left: Gordon Burrell a senior this year placed first team all-district as forward on the 77-78 squad. Left: Steve Wellons a 1978 graduate placed first team all-district last year as shortstop for the baseball team. Lower Left: James MacKenzie a senior this year placed first team all-district as outfield for baseball last year. James also placed first team all-district and all-regional this year at the position of tackle in football. Lower Middle: Michael Banks a senior this year placed first team all-district as third baseman in baseball. Mike also was a second team all-regional winner as kicker in football this year. Lower Right: Francine Rawlings a senior this year was an all-district winner as guard for the girls basketball team. Below: Reginald Harden was an all-district, all regional and an all-state winner this year as split-end on the football team. Reggie caught 41 passes for 675 yards, seven of which were touchdowns.

'78 Baseball Team — The Glory Never Ends.

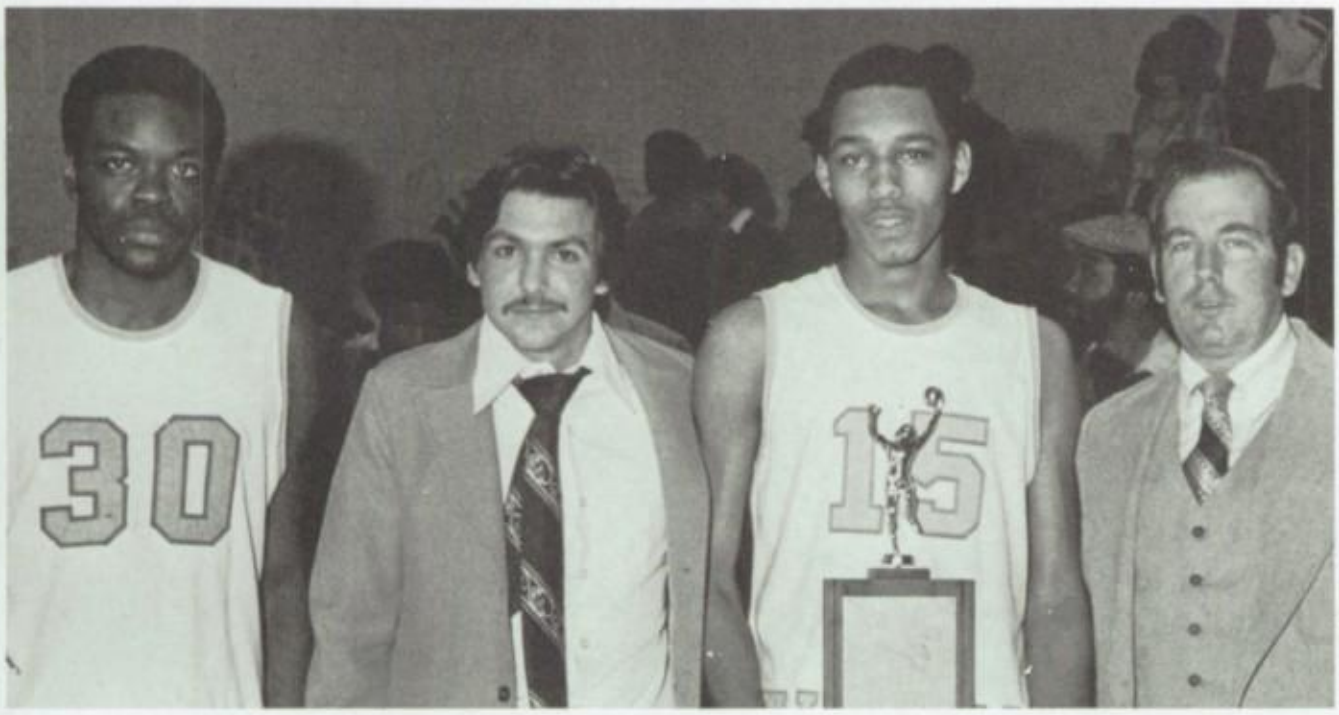
Right: The 1978 Baseball Team, From Left to Right: Donnie Sexton, Robert Atkinson, Travis Bracey, James MacKenzie, Martin Woodward, Charles Uzzle, James Bradshaw, Henry Beale, Danny Davis, and Terry Rawls. Middle Left: Outfield — Charles Uzzle, Robert Atkinson, James MacKenzie, Danny Davis, Henry Beale, and James Bradshaw. Middle Right: Infield — Travis Bracey, Martin Woodward, Terry Rawls, and Danny Davis.

Right: The "Dukes" rack up another winning season. Far Right: Michael Banks gets himself ready to be a hero?!

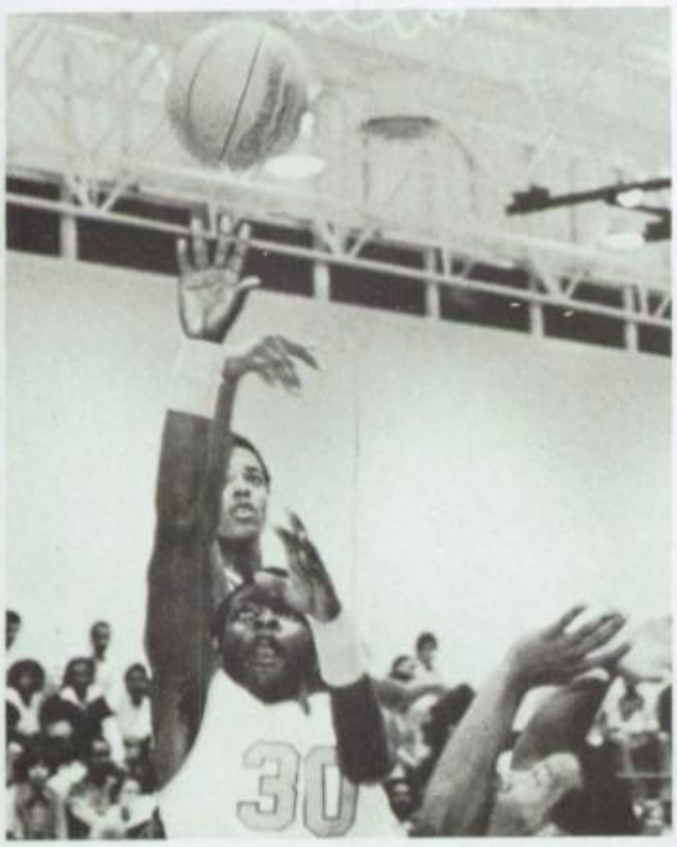
The '78 Baseball team finished with a winning season last year and are expected to do even better in the years to come. With the majority of the Baseball team returning there is no doubt that Windsor will have a "Power House"!

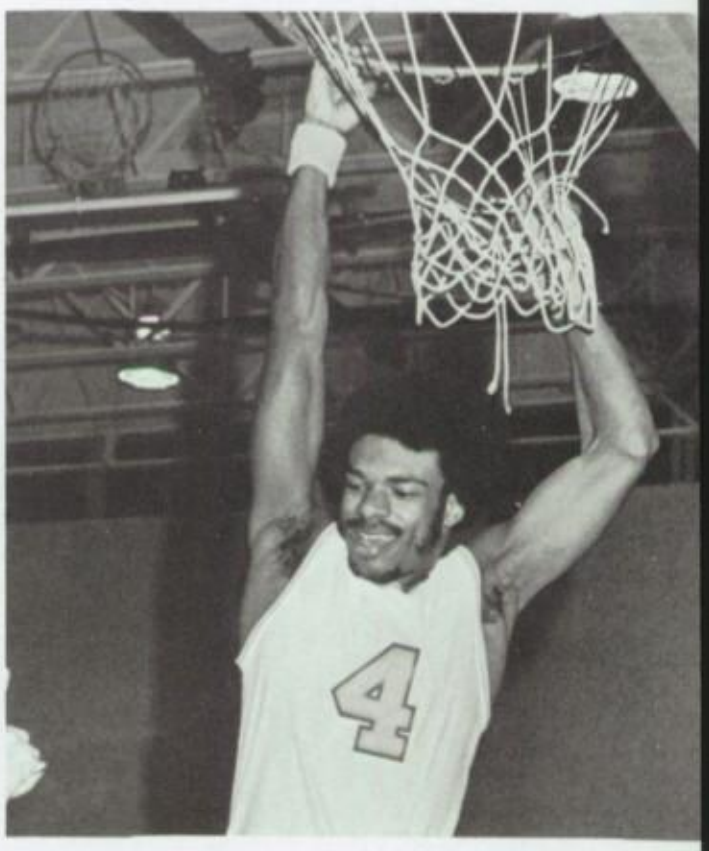
As with the rest of the teams here at Windsor, the Baseball team has also joined the Tidewater District. With the success of last year and the experience of the players it is expected that Windsor will be at the top in the district in Baseball and possibly the region.

Dukes District Champs



The Windsor High School Dukes have not won a District Championship since 1968. This year the Dukes broke that decade wait by winning the Tidewater District Title. Windsor, coached by Tex Murray and Chuck Parron, finished the season 17-2. The Dukes completed its regular season tied for first with the Surry Cougars. Windsor went all the way in the Tidewater District Tournaments. They defeated King and Queen in the first round with ease and next eliminated Mathews, who had previously upset the Dukes. Then the Dukes won the final game by defeating the only other team to beat the Champions. The Dukes won the crown from rival Surry 54-49.





Windsor now has a reputation to keep since they have accomplished this great task. This task will become more difficult as time goes on. The Dukes will lose four of their five starting lineup for next season. Heading the four is all-district and all-regional, Ben Barr. Ben was the Duke's center this year and was sixth in the state of Virginia for leading scoring in the single A Division. Also adding to the Duke's winning was all-district, Reggie Harden. Reggie was also a leading scorer in the area. Micheal Banks contributed much to the team this year both offensively and defensively. He seemed to be prepared to do anything when the other players weren't having a good night. Terry Rawls, the point guard aided the Dukes in defensive moves. He held Windsor's defense together throughout the entire season.

Shoot the Hoop With the J.V. Basketball Team

Right: The Windsor High JV Basketball team, Kneeling, From Left to Right: Coach James Whyte; Co-Captain James Elam, Co-Captain Robert Cary, Coach Mike Ange. Second Row: Kip Holloway, Johnny Freeman, Gregory Cary, Wendell McClinney, Bubba Carr. Third Row: Charles Benton, Glenn Holloway, Travis Bracey, Junior Braswell, Tracey Bradshaw, and Karl Jackson. Middle Left: Forwards: Tracey Bradshaw, Johnny Freeman, Glenn Holloway, Charles Benton, Karl Jackson, Junior Braswell, and James Elam. Middle Right: Coach James Whyte, Co-Captains Robert Cary and James Elam and Coach Mike Ange. Bottom: Guards: Travis Bracey, Robert Carey, Gregory Cary, Kip Holloway, Wendell McClinney and Bubba Carr.

The JV Basketball team followed in the steps of the Varsity team this year by having an exciting and satisfying season. In playing JV Basketball a person's raw talent is converted, through experience, into ability that can never be lost by the individual. The future of Windsor High School's Varsity basketball team is in the hands of these young players and fine coaches who have devoted much of their time and talents into building the JV team.

Upper Left: Tracy Bradshaw goes up against West Point defenders for a jump shot. Upper Right: James Elem throws the ball in after a foul from a New Kent defensive player. Middle Left: The Baby Dukes celebrate their 30 point victory over the West Point Pointers. Middle: James Elam above the crowd to connect for two. Middle Right: Bubba Carr adds another point to strengthen the Dukes lead over the Pointers. Lower Right: Robert Cary goes in for a sure lay-up. Lower Left: Travis Bracey gains control of a jump ball with one of Charles City's players.

The Baby Dukes Begin a Career

The Windsor High School Junior Varsity Football team, better known as the "Baby Dukes", really got off to a super start this year and continued with their success throughout the season. With new coaches and the 31 team members the J.V.'s reached their goal: a winning season! They started out big and ended big. With a 4-3 season the "Baby Dukes" have something to remember.

Right: The Junior Varsity Linemen, From Left to Right, Kneeling: Leonard Ricks, Kip Holloway, Lorenzo Staten, Charles Waters, Bruce Williams, William Lawrence, Lori White. Second Row: Coach Stephen Frey, James Elam, John Turner, Derek Walker, Les Spence, Jason Duck, Walter Rutledge, Larry Johnson. Third Row: Cecil Edwards, Ivan Arrington, Darius Cofer, Wardolph Watson, Johnny Justice, Carlton Rodgers, Phillip Carr, Joey Sutherland. Middle Left: Managers: Trevor Fawcett, Chester Staten. Middle Right: Running Backs, Kneeling: Micheal Randell, Robert Walker, Alan Wellons. Standing: Eddie Lawler, Glen Holloway, Ronnie Duck, Johnnie Freeman. Lower Left: Quarterbacks and Centers, First Row: David Walker, Kenny Bunch. Row 2: Derek Walker, Eddie Lawler, Larry Johnson, Lori White. Lower Right: Coaches: left — Stephen Frey, right — James Whyte.

Left: The Junior Varsity Cheerleading Squad for 1978-1979, Front Row: Benita Eley, Dana Wellons, Melanie Bradshaw, Sheila Butler, Tina Creasman, Lynn Morgan. Standing: Donna Harrell. Middle Left: Co-captain Benita Eley, Mrs. Gloria Eley, Co-Captain Donna Harrell. Middle Right: Donna Harrell, Dana Wellons and Ursula Uzzle promote school spirit in the stands while doing a floor cheer. Bottom Left: Dana, Donna, Benita, Tina and Alesia cheer the J.V. Dukes on to a victory! Bottom Right: The J.V. Cheerleaders continue to boost the morale of the "Baby Dukes"!.

The J.V. Cheerleaders have supported the ballplayers 100% this year and have devoted much of themselves in helping to build the morale and spirit of the school and community of Windsor.

To become a cheerleader the girls had to have a 2.0 grade average and make the tryouts. The girls had to learn one group cheer and individual cheers.

J.V. Cheerleaders Show Spirit, Too.

And summing up the 1978-79 homecoming court is 8th grader Lynn Lankford with escort Kenny Bunch.
The "78-79" homecoming attendants and their escorts back up the homecoming Queen, Cindy Holland.
Each girl was selected from their homeroom. All o them are voted on and the girls with the most vote are chosen to be the representatives from their grades.

Cindy and Her...

Being "crowned" was a wonderful feeling as Cindy Holland received her crown for the 1978-'79 homecoming Queen.
Cindy is a Senior this year at Windsor. She lives in Franklin and is involved in many activities. Some of these include being an office aid, a member of F.B.L.A., the secretary of Deca, and Cindy is also in the art club.

Cindy was escorted by Mark Johnson who is also a Senior at Windsor. Cindy's goal in life is "to become a secretary for a huge business firm." She is planning to attend Paul D. Community College to major in Business.

We've Got The Spirit

Another day in spirit week was stuffed animal day. The kids finally got to bring their loveable pets with them to school. Right: The Senior float showed here tied for first place against the Sophomores. Below: The "Dukes" kill the "Tigers" is represented by Randy Schnur. Right: The annual staff show their spirit by representing themselves with, "Dukes Are DY-NO-MITE!"

Left: "The Dukes Are On Safari" is contributed by the Juniors showing they are backing the Dukes all the way. Right: And who are these creatures? None other than the school clowns, Kathleen Dunk and Rhonda Dunford. Far Left: DeeDee Tetterton and Wendy Hamman get it together right before the game. Right: D.E. devoted their time into decorating a truck for the Dukes. Mr. Parron the sponsor stands proudly beside their contribution to the parade.

Mrs. Day — Sponsor

During the school year the Student Government Association gave a scholarship to a deserving senior.

They have raised money by selling popcorn, and they sponsored homecoming this year. The officers of the Student Government Association also acted as guides for our P.T.C. meetings.

The SGA has also been working for the W.H.S. students this year. They worked on getting a drink machine put in the cafeteria for student use. They gave $100 to the Joy Fund at Christmas, and have had other projects during the year.

ANNUAL STAFF ACCEPTS

This class has twenty-one members. It is responsible for the production of the yearbook and the newspaper. This club has learned a considerable amount this year in the areas of photography, journalism, layouts, picture development and picture printing. The class itself, has presented a tremendous challenge to its participants. Students taking photo-journalism must display abilities in writing and the technical aspects of organizing an annual and newspaper.

The Annual and Newspaper Staff would like to thank the following people: Ms. Saunder's for use of the business equipment; Danny DeFalco for his assistance and advice; James MacKenzie for many morning and afternoon announcements; To the parents of Photo-Journalism students for their cooperation, understanding and help; Dr. Smith for his advice and encouragement; the Faculty and Staff for allowing Photo-Journalism staff members to help out when needed; Ms. Peterson for her help with Senior information; Mark Caswell for transportation of newspaper; Homeroom teachers for assistance with polls; Ms. Caravan and Mrs. Jensen for the use of office supplies; Patricia Ballard for assistance in our assembly; James Horton for use of his truck in the Homecoming parade; Mr. Scott for use of his trailer in parade; Joe Cohen for helping with art work; Ms. Cowling's 6th period Commercial art class; Mr. Worsham for his planning and scheduling, all our advertisers.

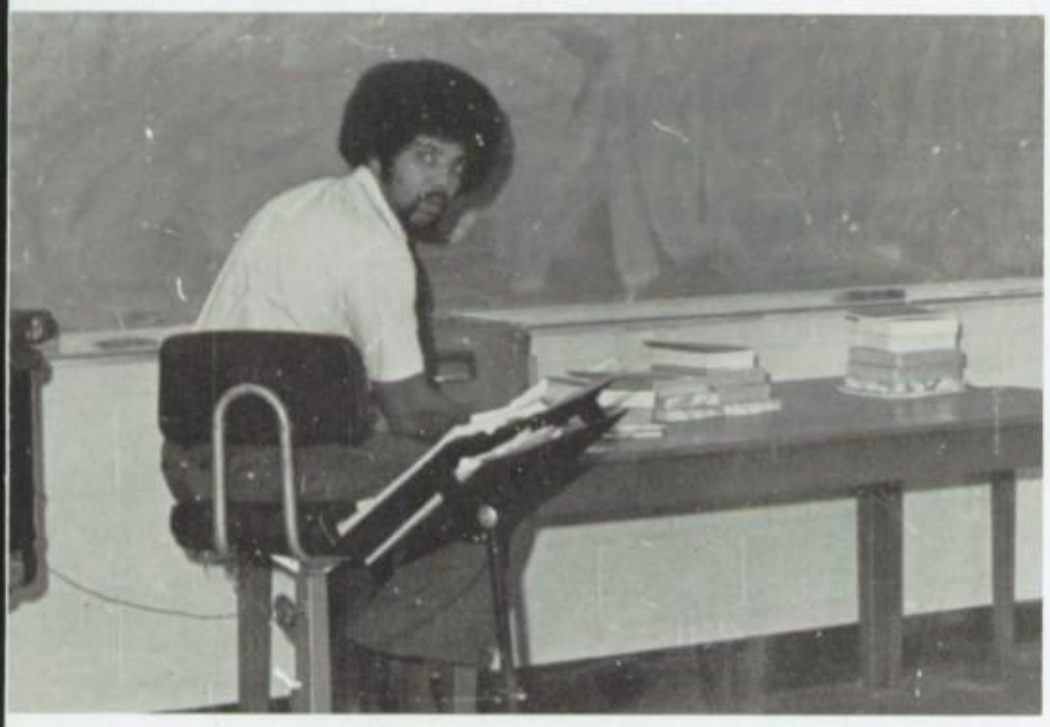
FLAG GIRLS, AND CHOIR



Windsor High School has had many turnouts for choir and a lot of beautiful voices. Our choir practices every day and sings at many activities of the school.

We are proud of our choir members for their determination to make themselves stand out in a crowd.

The Debate team is experiencing a year of rebuilding. Last year the debating team won the Peanut District Championship at Smithfield.

The team has exceeded in competition this year because of the infusion of new blood on the team.

This year the art club has 14 members. The elected officers are Tim Smith — President, Linda Kircofe — Vice President, Becky Houchins — Secretary.

The Art Club sponsored a float for homecoming which featured our Future Artists carrying paint palettes with slogans for the game.

The Art Club also had a party for Christmas at the Pizza Hut in Suffolk. This spring the Art Club sponsored a car wash to raise money to buy supplies. They held an art show in May. Mini courses that taught on various crafts.

The purpose of the Beta Club is to promote honesty, service and leadership among the high school students of America, to reward meritorious achievement, and to encourage and assist students to continue their education after high school. Some of the Beta Club's activities for the 78-79 School year are: attending the Beta convention in Richmond, participating in National Beta Week in March with various activities; one of which will be an induction assembly for new members, and putting up posters on bulletin boards urging students to keep their grades up. Members are chosen by teachers on the basis of character and grades.

Science Club, Getting Involved

The Science Club at Windsor High School has 26 members and is sponsored by Mrs. Grace D. Lankford. Many attended the field trips taken by the club this year. All of the field trips are related to science. This year the Science Club started a visiting professor program in which professors from various colleges throughout the state each gave an informative presentation also relating to science. A Christmas basket was put together for a needy family in Windsor by the Science Club members and presented just before Christmas. Anyone enrolled in any type of science course at W.H.S. can be a member.

Mrs. Grace Lankford, standing behind her desk, observes as her students work experiments in the fourth period Chemistry class. In addition to Chemistry, Mrs. Lankford also teaches I.P.S. and Physics.

Antoinette, Tracy, and Mary Catherine study force in the fifth period Physics class. There were six students enrolled in the class this year.

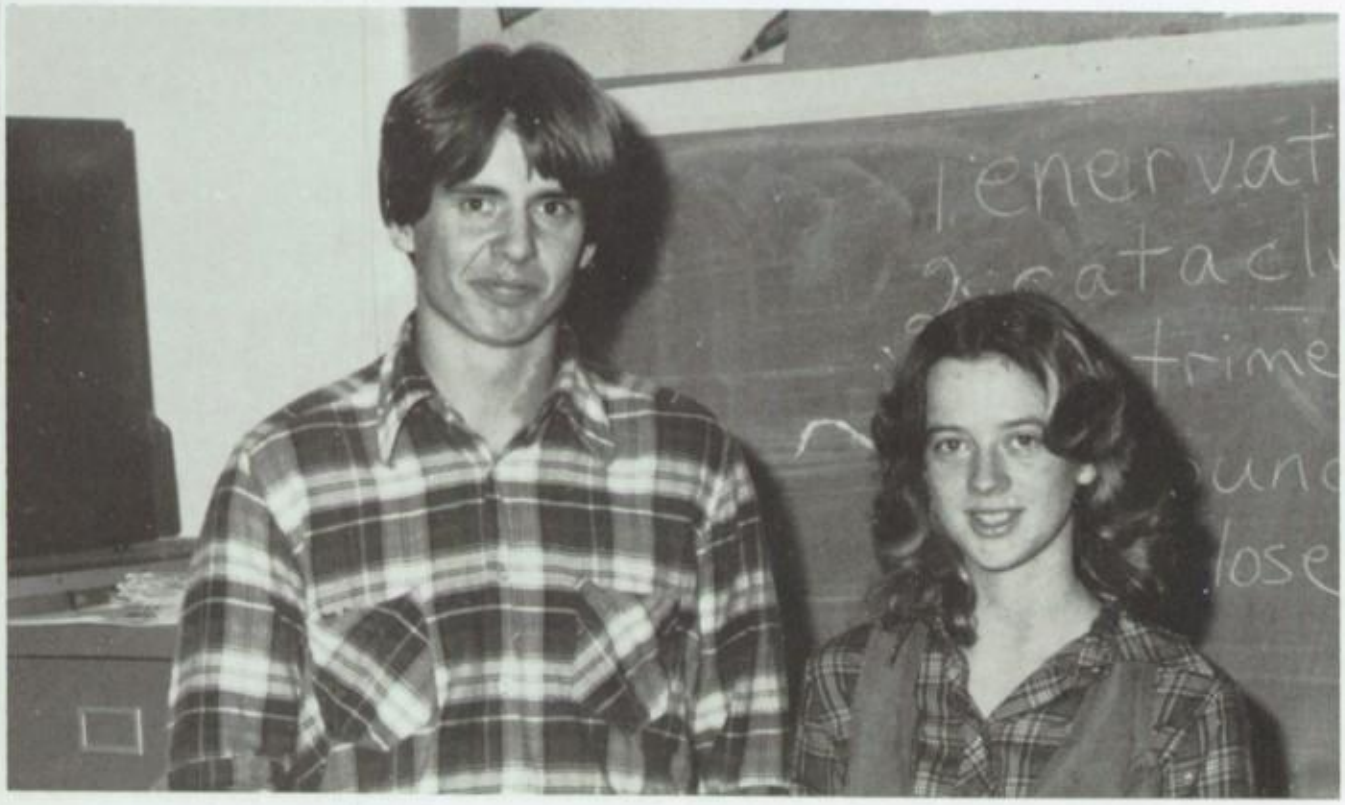
¡Nosotros Hablamos Español y Francais!

All students enrolled in a Foreign Language class can be a member of the Foreign Language Club at W.H.S. During the year the members undertook many activities and learned about the customs of Spanish and French speaking countries. Foreign Language Emphasis Week is one of the club's fun projects each year. The members took trips to a French and a Spanish restaurant for a different kind of meal. Also a trip to the Crysler Museum was an interesting activity of the Foreign Language Club this year.



Middle Left: Standing: Elise Sawyer, Lynne Morgan, Susie Corbman, and Tina Creasman. Seated: Thomas Green, Lisa Burden, Phylis Fentress, Melanie Bradshaw, and Tawana Ashburn played a new game this year called, posing for the yearbook, in their Spanish I class. In the first year of Spanish the basics of the language are taught. Middle Right: Mrs. Day smiles as she assigns the homework for the night. Mrs. Day was kept busy all year teaching Spanish One, Two, and Three, and French One, Two, and Three. Some of the classes were combined. Bottom: James MacKenzie and Beverly Tetterton prepare to give a report on the jobs in the field of foreign languages in their Spanish III class. This year Spanish III students learned about Spanish customs. Four students were enrolled in this class.

This year's F.B.L.A. had twenty-two members. Many of those involved were taking business courses. The F.B.L.A. participated in many activities such as the March of Dimes Campaigns and the walk-a-thon. The F.B.L.A. also held the Sweetheart Ball and a Christmas Dance. A basket was made at Christmas and given to someone who needed it. For the first time the Future Business Leaders started a newspaper with activities, facts and trivia about their club. FHA Club Members Present Projects

This year the Future Homemakers of America presented projects under their primary course of study, consumerism, and awards were given for the best ones. Five delegates were sent to the F.H.A. State Leadership Conference which was financed, like some other of their projects, by the sale of candy. Other projects included an activity of student interest every day of the National F.H.A. Week in February. The 64 member club is led by Mrs. Eley.

Bottom: Glenda Gray and Denise Goodson are hard at work on their projects.

Drama Club Presents "A Night of One Act Plays"

Above: Drama Club members Dean, Joe, Charlotte, and Heather develop skills in acting.

Meeting every other Monday, the Drama Club members learn how to use voice projection and mannerisms, the making of props and scenery, make-up usage and the creative use of lighting and sound effects. The club members applied their knowledge in "A Night of One Act Plays," which consisted of three plays: "Old Skin Flint", "Monster Soup", and "The Half Hour". Also this year the Drama Club showed the movie "Brian's Song" to raise funds for a field trip to observe the School of Performing Arts.

The officers for this year in the Drama Club were: Tracy Beale Pres., Otto Walker Vice Pres., Dean Walker Sec. and Rep., and Charlotte Green Treasurer.

Mrs. Dobie was the club sponsor for the 78-79 school year. Here she is directing for the play, "Old Skin Flint".

Janet, Leslie, Anthony, and Tim practice for "Monster Soup" which had a big turnout last February.

DECA Plans New Shack

As in years gone by, the DECA Club operated the Shack again this year during lunch and before and after school. They sold pens, pencils, odds and ends and some food items, also. By next October, Mr. Parron and the Deca Club plan to move the Shack to a new location next to the ice cream stand. The Club also went to District Competition in different sales, job, and display fields. They also attended Fall and Spring Rallies.

Our office assistants are involved in most of the activities at Windsor High School's main office. Besides running errands, these students do work with the school files. They answer the telephone and type letters that are sent to parents. One major function is handling the tardy slips students receive when late to class. They also are responsible for running the variety of office machines. These odd jobs provide the assistants with practical experience that may be carried with them through their years after High School.

OFFICE ASSISTANTS DEVELOP SKILLS

Top: Cindy Holland, an office assistant fifth period can be found filing the students tardies through most of the hour, however if this job is complete she often starts writing notes. Middle: From Left to Right, the office assistants for the '78-'79 school year are: Robin Holland, Cindy Holland, and Shirley Spratley. Not Pictured: Peggy Lawrence, Lisa Robertson. Lower Left: Shirley Spratley gives a student an answer to a question. Having time to help almost everyone is an excellent reason for being an office assistant. Lower Right: Stopping only long enough to have her picture taken, Robin Holland, a first period office assistant, is busy sorting the morning mail.

The office assistants for this year were carefully chosen as a result of students trying to fill their schedules because no study halls were allowed. A reason for being an assistant had to be given; such as training for a similar job.

KNOWLEDGE

SUPER SENIORS OF "79"

Seniors enrolled in advanced math classes, taught by Mrs. Kay Drake, are furthering their education in math for a better future. Here Alfred, Antoinette, Ursula and Tracy investigate conic sections, trigonometric sections, quadratic inequalities, exponents and logarithms, vectors, complex numbers, and a brief introduction to calculus.

Mrs. Alston is the new government teacher in seniors government, a required subject for graduating. Seniors study about the Constitution, the Bill of Rights and how our government really operates. Students use examples from newspapers, magazines and films to make their study more relevant. This spring they planned a trip to Washington, D.C. to get first hand knowledge about government operation.

SENIOR

Seniors at W.H.S. are familiar with the importance of learning extra skills for success in their lives. Peggy and Carolyn demonstrate the art of typing, which they learned from Mrs. Charleen Saunders. They are active members of FBLA. This is a club that teaches students about businesses. They have traveled to attend conventions and lectures to further their knowledge in the field of business.

Seniors also demonstrate their skills in Agriculture classes which are taught by Mr. Bently Richardson and Mr. John Parker. Students in ag. are active members of FFA. FFA teaches students about farming and crafts for future use.

Reading and listening are important skills to practice to prepare oneself in becoming more aware of what you are reading. Students at W.H.S. further their reading skills by being required to read a certain number of books each month on which they are tested. They often do other book assignments such as book reports and interpreting stories.

Seniors stand out

Every senior at W.H.S. is someone special, but some were chosen for their outstanding performance in a particular field. Here James MacKenzie and Antoinette King were chosen as the most popular of their senior class. They received this position by helping and being kind to everyone that crossed their paths. Alfred Davis and Mary Catherine Hagar were chosen as the two people most likely to succeed. They have proven this by showing remarkable senior statistics and receiving very good grades in all their classes in which they are enrolled. They are also active members of the Beta Club.

Henry Blount and Diane Jones are the funniest two characters in the senior class. They have proven this by encouraging classmates to have a laugh now and then, and keeping the students morale up. Gene Davenport and Renee Suiter are definitely the friendliest people around. They are always wearing a smile and greet people no matter who they are.

Reginald Harden and Tena Lawyer are our school sweethearts. They were chosen as the most romantic seniors. They show this by just being together around school. Reginald walks with Tena to her classes and they are very affectionate.

Ben Barr and Sharon Revell are our future models. They were chosen as the best dressed seniors. As you can see they come to school every day dressed very neatly and with great perfection.

Seniors in English stop and think about what they are going to write about. Tina smiles as she thinks about writing on senior privileges. Some of the senior privileges this year were: being able to get out of class two minutes early, to get in the front of the lunchline, and being served ice-tea with lunch. Perhaps her favorite is having under-classmen stand up during an assembly as the seniors march in proudly.

Seniors at W.H.S. also have musical talents. Many seniors are members of the proud marching Dukes, which are instructed by Miss Donna Myers. They perform at half-time during home football games, at pep-rallies, and at various assemblies. Seniors are also members of the school choir. Here they combine and perform for the school Christmas and Spring concerts.

For The Future

Miss Beverly Peterson teaches 12th grade English. Seniors in her class define vocabulary words which they have quizzes on. They read stories and poems which they interpret the true meanings. They memorize works of Shakespeare and Hamlet such as "To Be or Not To Be", and are graded on their recital. They have in-class debates and discussions to increase debatal matter.

Physics class is an advanced science program for academic seniors. They learn about such things as speed, acceleration and motion. In learning about these they perform experiments and do worksheets. This year's class was rather small in size but not in production.

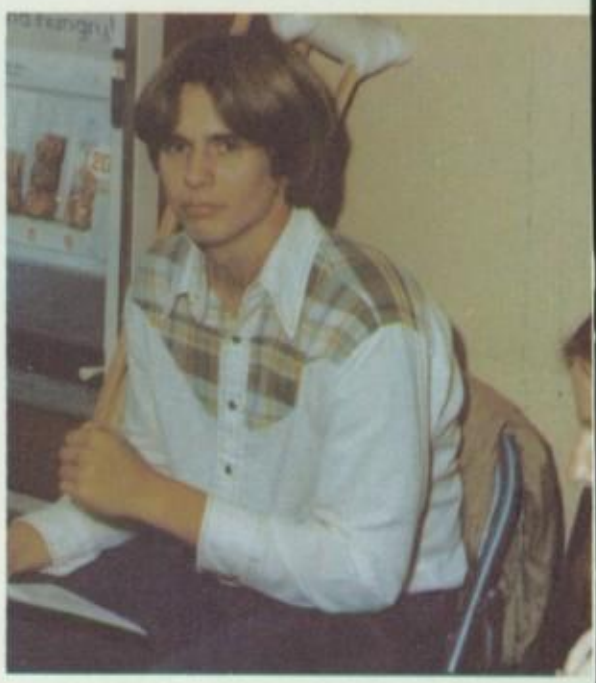
Tim Smith enjoys being a library assistant for Ms. Lee. Here we see him looking at a magazine. Library assistants stamp books for students to check out and help students look for books they need.



Upper Right: James Duncan MacKenzie was our SGA president for W.H.S. this year. Being president he had many important responsibilities. In the morning during homeroom he gave the morning announcements and in the afternoons he gave the announcements again. During assemblies and other gatherings he took order in speaking.

James took 5 classes which were honors classes and sixth period he assisted in the Guidance Office. He was also treasurer of the senior class where he took responsibility for senior's money. He participated on the Varsity Football team and various other sports and activities.

Right: Here we see Ms. Alston writing notes on the board for her government classes. Her students have gained a knowledge of how our Government system runs.

Lower Right: One privilege of seniors is assisting teachers with their classes. Antoinette King is an assistant for Mrs. Lankford's second period class. Here she types up some of the work for one of her classes.

People on top of everything.

Upper Left: "May I have your attention for the afternoon announcements." Dr. Smith, principal, makes announcements during James MacKenzie's absence. Middle Left: Mr. Lawerence Woodward, assistant superintendent, stops in during a school day to talk to Dr. Smith. Mrs. Jean Carawan heads towards the files to get some information on a student. Bottom Left: "Smile Mr. Murray your basketball team just had a winning season." Some of the faculty laugh over their hectic day during lunch. Upper Right: Mr. Martin, assistant principal, considers some problems of the day. Middle Right: Hang on Mr. Worsham, Friday's coming. Bottom Right: Brigette Booker, a graduate of Windsor and temporary office assistant, will always have a place in her heart for Windsor High School.

People Who Take Charge and Make Changes

Top Right: Dr. Vito J. Morlino, Isle of Wight County's present superintendent, came from Portsmonth, Va. where he was a Director of Secondary Education. He is married and has five children. Isle of Wight County welcomes the educational knowledge of Dr. Morlino! Middle: The Isle of Wight County School Board, (L-R): Robert Alphin, Robert Oliver, Dr. J. R. Hagar (Chairman), Jimmy Brown and Carolyn Chapman (Secretary). Not Pictured: Mr. Bodie.

Lower Left: Dr. C. Curtis Dixon Isle of Wight County's superintendent from Spring 1977 to Fall 1978. Lower Right: Mr. Lawrence Woodward, Assistant Superintendent. He was our acting superintendent after Dr. Dixon left.

This year in U.S. and V.A. History debates and discussions have been fun learning experiences. In October all of the history classes went to see the movie 1776, a musical reproduction of the drafting of The Declaration of Independence, in Norfolk, Va.

The movie was very interesting and everyone who went enjoyed learning from a different source. Mr. Whyte teaches Honors History, here we see James Bradshaw trying to figure out the notes he has put on the board.

The Junior class officers of the 78-79 school year were, President Andy Bradshaw, Vice President Steve Bradshaw, Secretary Sheila Hill, Treasurer Dean Walker, and Reporter Robert Atkinson.

This year the Junior class sponsored a ring dance and the Junior-Senior prom.

They were all very involved supporting the Dukes throughout the year.

Upper Left: Mr. Frey's 2nd period class is Honors English. Students study literature written by early colonists. Composition writing is stressed considerably. The students criticize each other's writing and learn through their mistakes. Middle Left: Here we see Dean Walker and Dennis Williams struggling through another day of Algebra II. Mrs. Carita Richardson teaches this class in which many aspects of math are taught. One of the most difficult type of problems involved were word problems. Most students will agree that these are the least liked, as well. Bottom Left: Spanish II is a class which involves a great deal of Spanish grammar. The Students learn how to conjugate verbs and to write sentences and paragraphs. Here we see Otto Walker listening to Mrs. Day conjugate verbs.

Learning can be Fun

Home Economics is a necessity for almost everyone. This is a class in which students learn to do many different things. Students learn to sew, cook and crochet. Here we see Sharon Luter and Charles Uzzle tie-dying T-shirts. The students used different colors and created their own effects.

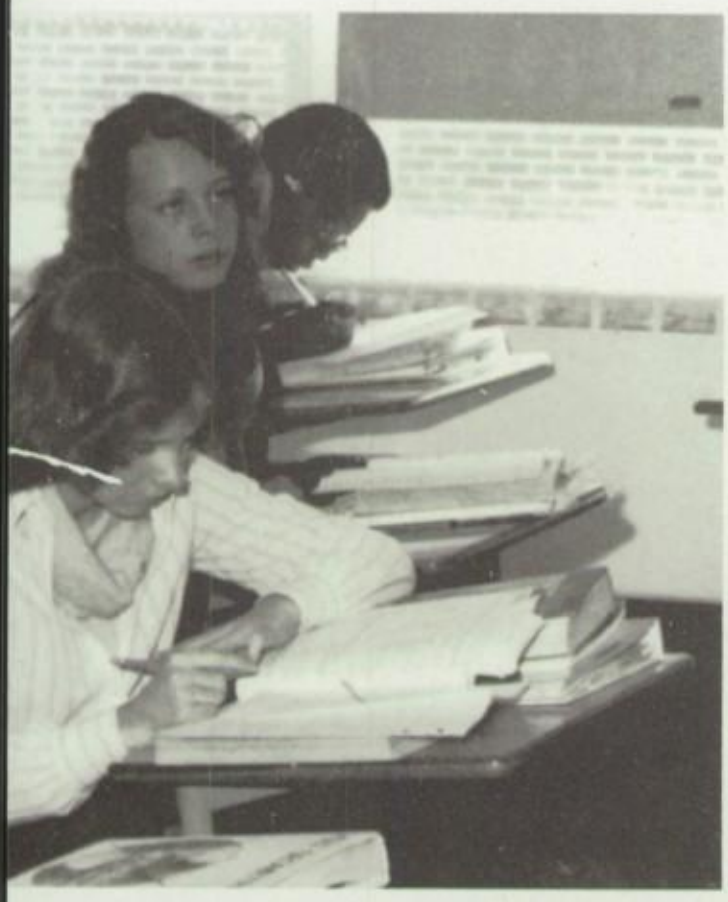
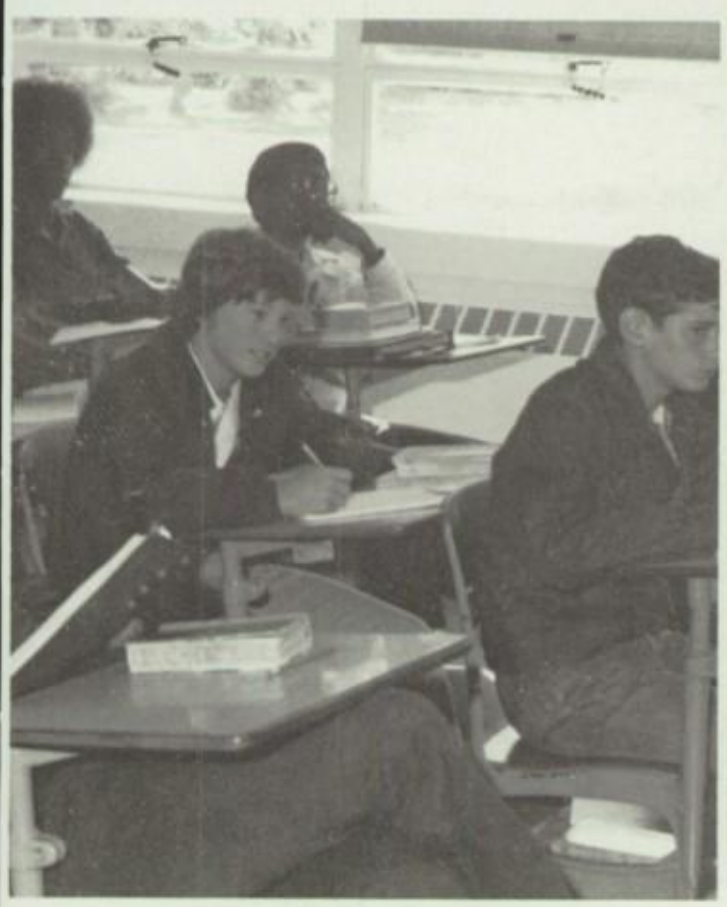
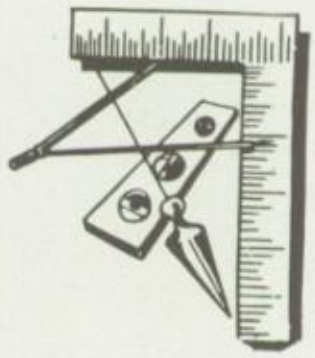
In Geometry students learn the therom of plane geometry. They used these theroms by applying them in proofs. They learned how to find the congruence of a triangle.

Top: In Mrs. Drakes only geometry class Cecil and Denise struggled trying to finish the night's homework by applying proofs. Middle: Miss Myers Marching Dukes band performed halftime shows at all home football games. The Marching Dukes just finished a hard practice before a big show and are now listening to a review of the show ahead. Bottom: In Mr. Owens General Business class they studied about consumer products and worked with consumer math. Marie tries to finish her classwork before the bell rings.

In the newly created Honors English class, students learned all the techniques of writing a paragraph. This led up to the basic steps of writing a composition. All students were required to do a major research paper.







Upper Left: In Mr. Pattersons biology class, Cecil Edwards is trying to get involved with the daily discussion. Biology classes took field trips to Back Bay and Nike Site Park. Upper Right: Dee Dee Tetterton, a sophomore at W.H.S., is involved in many activities this year. Her subjects include Typing 1, Biology, Geometry, English, Physical Education, and World History. She is also a varsity cheerleader. Left: Rhonda Dumford is working on one of many drawings in Art 1 class trying to get finished before bell time. Middle Right: Holland Carr in attempt to make up one of Miss Dobie's tests. Miss Dobie's 10th grade English classes worked on many areas of grammar and literature.

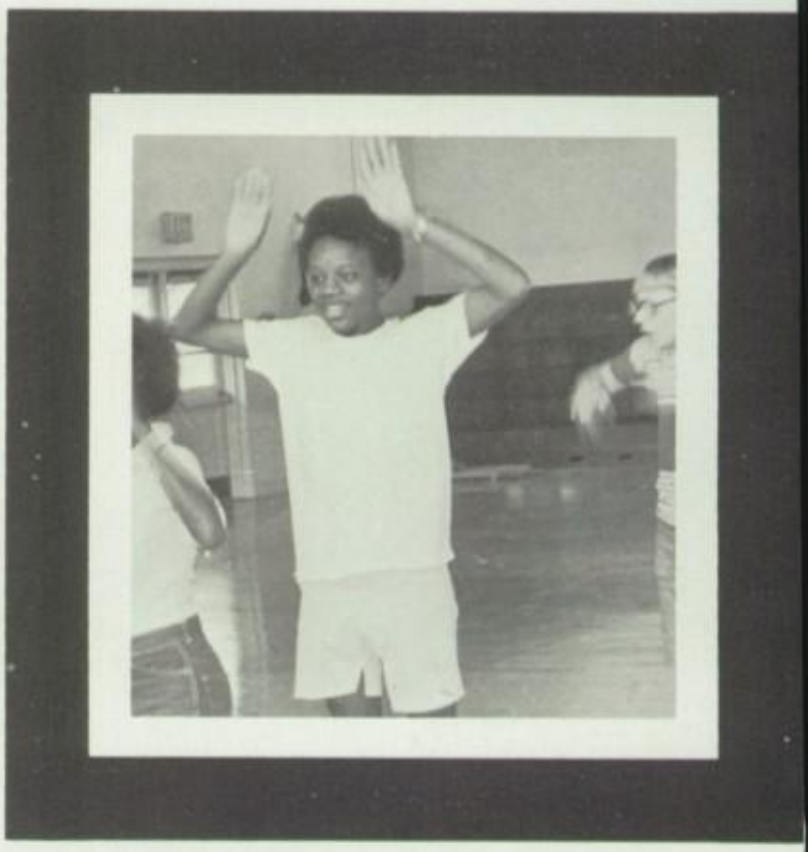
This year was a year all sophomores looked forward to. Students finally began drivers education. Students worked on behind-the-wheel driving experiences and learned the basic techniques in driving a car. Physical Education class offered other emphases of study; students learned the rules of tennis, softball, basketball, and volleyball. All students also took a Physical Fitness Test at the beginning and end of school to determine how our physical abilities had increased.



WE'VE WAITED SO LONG

Students who are planning on going into a Distributive Business have found it important to become involved in Distributive Education. Students learn to explore in the fields of distribution and marketing. Instructors teach the basic skills needed to qualify for a job. World History is a class in which students learned about prehistoric man through the life of modern man. It teaches of civilizations in the past and how they have contributed to today's life. Students learn the achievements of culture, technology, industry, politics and military regulations.

Lower Left: Many Sophomores are a part of the Marching Duke Band. They spent long hours preparing for halftime shows, Christmas and Spring concerts. They also took part in the Franklin Christmas Parade in which they brought home a third place win. Lower Middle: In D.E. I Chris Wise is supposed to be working on his career objective project, instead it looks as if he has his eye on the camera. Students spent time on this project as well as learning about job interviews and salesmanship. Lower Right: Photo-Journalism students for the first time produced both the school yearbook and newspaper. Many hours were spent working on layouts and writing articles. After finishing all layouts for the yearbook and newspaper students worked on photography by taking pictures and developing pictures. Pete Chapman works on his preliminary layouts for the '79 Duke.

HERE THEY COME

RIGHT NOW

Right: John Carter is an 8th grade student at W.H.S. this year. He was one of the students in Ms. Neal's P.E. 8 class. He studied first impressions, appearance, drugs, acceptable behavior patterns, and some sports such as football, softball, and basketball. Left: Stephanie Parrish experiences a variety of activities in Mrs. Kitchel's Home Economics class. They worked on child development, food serving, interior design, and other related activities. They also went on local field trips to The Farmers Bank, Redds Supermarkets and Mrs. Horton's nursery school. These trips helped students understand careers available in the area of Home Economics. Here Stephanie works on a crochet project.

Left: Allen Wellons tries hard to perfect his next move. Bottom Left: Rhonda Houchens worked hard in Spanish I. This year they will work with their costumes and play games with their vocabulary. They also went to El Toro's, a Mexican restaurant. Bottom Right: Tina Wade experienced some work that leads to the future. She worked with the decimal system, force, weight and mass, and learned how to work experiments the right way.

Left: Leon Lassiter works hard on a test in Mrs. Lankford's class. This year the students in introductory physical science worked with energy, weight, force, mass, the metric system, and the study of light. Most of these were done in the test of experiments. Right: Ivan Arrington, John Boothe, Karen Kirocofe and Lynn Lankford work on a test in Mrs. Kings I.P.S. class. They did experiments on such things as mass, gravity of force, weight, metric system and the study of light and energy.

Left: Here Allen Wellons and William Lawrence are working on fractions in Mr. Owens 4th period class. They also will be working with whole numbers, algebra, and the metric system. Bottom Left: In Mr. Godfrey's E.F.E. class Sabra Smith studied career opportunities. This helps students to learn where certain jobs are found and how to prepare for these jobs. Also students developed personal traits. In doing this, students begin to form ideas about jobs of interest to them. Bottom Right: Here Billy Weaver, Thomas Green, Davis Copeland, Reggie Harden, and Donnie Sexton appear to be rather busy in Agriculture I. They worked on such things as hand tools, welding and electricity. They made take home projects (fruit bowls, book ends, stools, etc.) and studied about cows, pigs, horses and trees.

Left: Carl Outland is trying to think of the answer that he has forgotten. This year in U.S. History, 8th grade students went to Norfolk to see a movie about the Romans and Greeks in 1776. Then they also did an art project on the Revolutionary War and other class events. Top: George Hasty and Watler Rutledge are looking up answers to some questions on light. They also studied other topics such as weather, soil, energy and did experiments in Mr. Mashburn's 8th grade I.P.S. class. Bottom Right: Larry Edwards is one of the few 8th grade students to make the Marching Dukes Band. Interested students must pass an audition given to them by Ms. Myers at the beginning of each year. Those who do not make it continue in band I. Those who do pass the audition become a part of six period band.

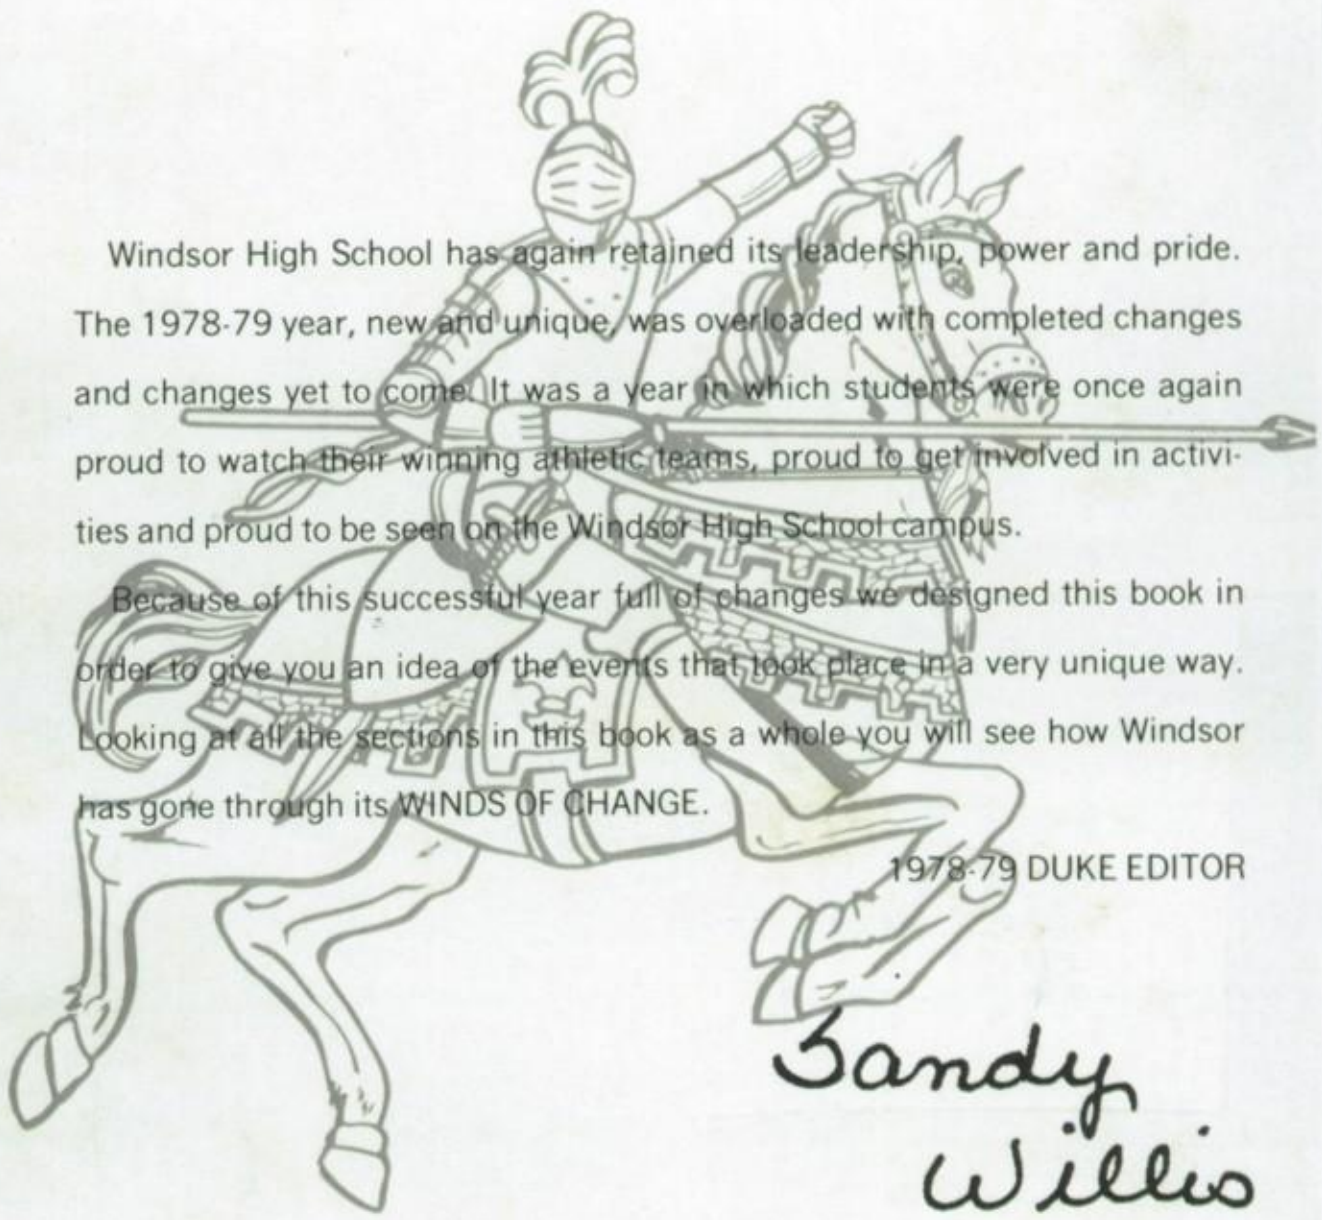
AUTOGRAPHS



Windsor High School has again retained its leadership, power and pride. The 1978-79 year, new and unique, was overloaded with completed changes and changes yet to come. It was a year in which students were once again proud to watch their winning athletic teams, proud to get involved in activities and proud to be seen on the Windsor High School campus.

Because of this successful year full of changes we designed this book in order to give you an idea of the events that took place in a very unique way. Looking at all the sections in this book as a whole you will see how Windsor has gone through its WINDS OF CHANGE.

1978-79 DUKE EDITOR
